All'Ill.mo Sig.r DON. PIETRO MEDICI

Fu' Antichiss.e lodeul costume Ill.mo S.r sacrare a gli Dei le primitie, e da quelli era ricevto il Core delle offerente, el natale della vittima; riguardevole io a tale usanza dal seno del mio intelletto hauendo formato un grosso di vari capricci, li piu scelti come primitie offerisco V.S. Ill.ma quale come delli Dei Mitatore gradira il Core, e l'opera come di primo natale, e si come dal cielo i grati sacrifici erano perfettionati col Foco, cosi spero, che dal Foco dell' Amor, e potenza sua ottenra questa mia vltima, gradite fine, complisca il sacrificio l'incenso dell'affetto suo, e quindi mi sia concesso restarli deuoto Ser.e in Gratia mentre io li auguro il compimento di ogni suo maggior pensiero
